

**“Old Tourists Never Die, They Just Take More
Pictures of the Bridge”**

These ‘Old Tourists’ were able to enhance their retirement years by saving early and saving often.

Just like traveling, retirement savings should be planned in order for you to achieve the best result. Planning for retirement is a process, not a one-time event. As such, you need to be flexible to see your desired retirement lifestyle come to fruition.

The Monterey County 457 Deferred Compensation Plan may be your route to a comfortable retirement plan. Check it out today!
