Lady Liberty Transportation Co., Inc.

Ground Transportation between Philadelphia International Airport and Philadelphia Center City/City Avenue Hotels

Please note that **reservations are not required for airport arrivals**. We offer service from 5:30am to 12:00 midnight. Upon arrival at the airport, and **after claiming luggage**, passengers should proceed to the **Ground Transportation Counter** located inside each baggage claim area, and **dial #27 from the free counter telephones for Lady Liberty**. There also are counter personnel to assist you. Our shuttle vans are waiting in an airport holding lot. The average waiting time is approximately 15 minutes.

Early morning reservations for return to the airport (before 9:00am) must be made the night before by 9:00pm. All other reservations should be called in at least 3 hours in advance. We recommend that a minimum of 2 to 2 ½ hours be allowed between pickup time and flight time for domestic flights and 3 to 3 ½ hours for international flights.

The one way fare between Philadelphia International Airport and any Center City hotel and residence is **\$10.00** (*taxi cab fare cost \$29.50+*). The one way fare to City Avenue hotels is \$15.00.

We allow two pieces of luggage plus one carryon piece per passenger. Excess luggage will be charged at the discretion of the dispatcher and the driver. All animals must be in a kennel with the exception of guide dogs.

Wheelchair accessible transportation - Passengers with disabilities who are registered anywhere in the United States can make a reservation for airport pickup by calling CCT Connect, a 24 hour service. The telephone number is 215-580-7700. Passengers with a reservation are picked up at Zone #1 outside of Baggage Claim. This information is also readily available on PHL Airport's website.
