Executive Board

1. Officer/Member-at-Large Duties

(See Bylaws for full description)

President

- The President is a voting member of the Industry Committee.
- The President is the official spokesperson for the Association.

Vice-President

- The Vice President serves as chairperson of the annual conference committee.

Member-at-Large

- The Members-at-Large may chair committees or task forces.

2. Travel and Expense Reimbursement

The Association pays for Executive Board member travel to in-person meetings other than those held in concert with the annual conference.

The Industry President and Industry Observer are responsible for all travel expenses related to the in-person Board meetings.

Commercial Transportation:

- air transportation should be less than first class rates and be booked well enough in advance of the meeting to secure a reasonable rate.
- Rail transportation may be first class and include no more than the cost of a chair car or a roomette.
- When traveling alone, airport limousines or hotel shuttles should be used whenever possible (as opposed to cabs).

Rental Cars should be used only when necessary to reach the meeting site. Government discounts should be requested. Collision damage waiver and accident insurance should be declined.

Reimbursement for the use of a personally-owned vehicle for business purposes is calculated using the current IRS standard deductible mileage rate. For trips over 500 miles where the car is used by preference, reimbursement shall be equivalent to tourist-class airfare.

Meals and Lodging:

Actual and necessary meals and lodging are reimbursed. Members should request government or conference rates when making hotel reservations for meetings for association business. For executive board meetings, the administrative officer makes hotel and group meal arrangements.

Alcohol should not be billed to the NAGDCA master account nor submitted for reimbursement.

NAGDCA board travel reimbursement covers cost of roundtrip expenses from a board member's home city to the city of the board meeting. Any difference between the actual costs and the cost from the home base to the board meeting will be the responsibility of the board member.

To the extent possible, NAGDCA requests that EB members arrange airfare through the travel agency provided by AMR so that billings remain simplified and the booking process is easy for the EB member.

Guest Travel to NAGDCA Board Meetings:

When a guest accompanies a board member and participates in meals/activities that are reimbursed by the association, appropriate adjustments should be made in amounts submitted to NAGDCA for reimbursement, so the association does not bear expenses related to non-board participants. Guests may participate in group meals/social functions at Board meetings for \$125/meeting. This can be deducted from the Board member's reimbursement request or a check can be sent to NAGDCA.

Annual Conference Board Travel:

Board members are responsible for making their own travel arrangements for the annual conference including registration, hotel, flight, etc. Payment for the rooms is the responsibility of EB members' member entities. Conference registrations are tied to payments received by the government/industry member entities and are the responsibility of individual EB members.

If a board member's entity will not cover the expense of the extra night of lodging at the annual conference to allow the member to attend the NAGDCA board meeting, the NAGDCA board will address this situation and others like it on a case-by-case basis.

3. Conflict of Interest Disclosures

Board members are asked to sign a conflict of interest policy each year in September after the new Board is elected. The purpose of the conflict of interest policy is to protect and serve the best interests of NAGDCA and to ensure that the decision-making process for matters affecting the organization will be based strictly on what is in the best interests of the organization, and free from actual or perceived conflicts of interest on the part of Board members.

4. Disclosures of Board Independence, Relationships and Reportable Transactions

Board members are asked to complete a questionnaire at the end of each fiscal year (January) to disclose board independence, relationships, and certain reportable transactions pursuant to the IRS Form 990.

5. Nominations and Elections

Government nominations and elections are outlined in the Bylaws.

Election of industry members occurs during the industry members' annual business session at annual conferences. A candidate must be a representative of an industry member who has communicated a willingness to serve in writing as directed in association notices and by specified deadlines. The election is always conducted by secret ballot, unless only one candidate seeks office. Following the industry chairperson's report regarding candidates at the annual meeting, the industry president allows for additional nominations from the floor. When determined reasonable, candidate speeches, including initial nomination, shall be limited to two minutes per candidate and not exceed three minutes each.

6. Insurance

Directors and Officers Insurance - \$1 million per claim and \$3,000,000 annual aggregate of Directors and Officers Liability coverage is maintained.

General Liability insurance \$1,000,000 per occurrence/\$2,000,000 Aggregate is maintained.

Finance

1. Audit/Tax

An electronic copy of NAGDCA's annual IRS Form 990 (including required schedules) will be provided to each voting member of the governing body for a 2 week review period prior to its filing with the IRS.

A full audit is conducted every three years and a financial review is conducted in non-audit years.

2. Investments

The Executive Board follows an approved investment policy for short and long-term investments. [See separate investment policy statement for complete details.](#)

Long-term investment accounts are rebalanced on a monthly basis.

Signature authority for withdrawals from NAGDCA long-term investment accounts rests solely with the NAGDCA president and treasurer.

3. Budget/Expenditures

The AMR/NAGDCA staff expenditure and authorization process for unbudgeted items is as follows:

< \$250 Association Director

\$250-\$500 Association Director with approval of the Treasurer

\$500+ Full EB authorization

4. General

Financial statements and supplemental reports are developed by AMR for review by the Treasurer by the final working day of each month.

An annual report is filed with the Secretary of State's office.

Membership

1. Government

Annual government dues are currently \$600 and membership allows for up to ten (10) persons affiliated with the entity (staff, board, committee members, etc.).

Government subscription dues are for plans with less than 1,000 eligible 457 plan participants. They may join the Association at a lesser fee and fewer benefits. Current dues are \$300. Benefits of membership include NAGDCA publications and access to the NAGDCA clearinghouse. Members are not entitled to a vote on association issues but may attend the Annual Meeting.

2. Industry

Industry memberships are available for \$510/person.

There is no limit on the number of representatives allowed to join as industry members. A primary point of contact from each company will be named in order to assist with communication between NAGDCA and industry member companies.

3. Retired

Eligibility requirements for retired members are as follows:

- 55 years of age
- retired from all employment or contract services relating to the DC plan industry
- minimum of at least 5 active years in NAGDCA

There is no cost to the membership.

Eligibility for a retired membership is immediately forfeited if the individual returns to work or is under contract for services with a government or corporation and has any affiliation in an area that has any involvement in the DC arena, regardless of whether the entity is a current member of NAGDCA. If a retired member enters into a contract or returns to employment during the year that a retiree membership is held, he/she will be billed for the difference between an active membership and a retiree membership for that year. Serving as the retired member representative on a plan's government committee or board constitutes active involvement in the industry.

Benefits of retired membership are as follows:

- Conference attendance at the guest rate
- Access to the members only section of the NAGDCA Web site
- Listing in the annual membership directory
- Eligibility to serve on committees or other NAGDCA assignments.

Changes to member records must be requested in writing from the governing member through e-mail or on official letterhead.

Annual Conference

1. Registration, Cancellation and Payments

Conference registration forms must be accompanied by payment in order to be processed and delegates' names listed in the Delegate Roster. Exception: government member registration forms submitted prior to the deadlines will be accepted with notification that payment is forthcoming.

Registrations cannot be shared by multiple delegates to use on different days. One registration fee per delegate, regardless of the amount of time spent at the conference, is required.

Any requests for changes to previously submitted registrations (e.g. delegate names, method of payment, guest information, etc.) must be made in writing to NAGDCA HQ (e-mail or letterhead).

Refunds will be processed when notice of cancellation is made to NAGDCA in writing by the specified deadline (typically two weeks prior to the start of the conference). A \$25 processing fee will be applied after the specified date (typically one month prior to the start of the conference).

In the event that special circumstances such as a serious illness, accident, or death of a family member arise and the circumstances cannot be reported until after the specified date, documentation to support the special circumstance (e.g. a physician's statement) will be required in order to process a refund. No refund will be considered for special circumstances reported by a third specified date (typically 1.5 months after the end of the conference).

AMR/the association may issue up to 12 complimentary registrations for non-participating governments who are potential members.

Past Presidents will receive a conference rate equal to the current year's guest rate. Past Presidents who have left the government sector and are now industry members should consider whether or not to take the reduced conference fee.

Registrations or any changes to registrations that are received after a specified date (typically 2 weeks prior to the start of the conference) may not be included in the official roster of delegates provided on-site with conference registration materials.

The specified Guest Fee applies for any person above 5 years of age accompanying any delegate to any portion of the conference. Partial registrations or complimentary guest passes for single event participation will not be distributed.

Conference cancellation insurance is secured for each conference. The amount secured is based on budgeted revenue, the location/date of conference, etc.

NAGDCA maintains a "No Smoking" policy applicable to all aspects of meetings and conferences (educational sessions, business meetings, receptions, luncheons, etc.), regardless of the policies of the hosting hotel or conference center.

2. Member-in-Transition

Individuals who have been NAGDCA members for a minimum of two years within the past three years may attend the annual conference one time at a reduced registration fee in the 12 months after which they become unemployed. The individual will not receive membership benefits, but the annual

membership dues will not be required in order to attend the conference. Conference registration for government members in transition will be ½ of government registration fee and conference registration for industry members in transition will be ½ of the lowest industry registration fee.

3. Industry/Sponsors

NAGDCA does not provide meeting rooms or space at the conference hotel for industry members/sponsors. Companies may coordinate and purchase their own rooms directly from the hotel. Please be respectful of scheduled conference activities and avoid meeting with clients during those times.

Companies that sponsor are recognized by NAGDCA in accordance with the benefits outlined which may include promotion of company information. Company signage, beyond what is offered through sponsorship or the handheld signs used by companies to direct attendees to their private dinners, is not allowed in any space being used for the NAGDCA annual conference.

Payment for sponsored item/function must be made prior to the first day of the annual conference (where applicable).

Preliminary attendance rosters will be released in advance of the conference only to official industry member sponsors as outlined in the sponsorship benefits packages. Rosters are not to be used for mass mailings but can be used to send client invitations for events during the NAGDCA conference.

Mass distribution of brochures, flyers, or other materials to conference delegates prior to or during a conference or meeting is not permitted without prior written consent from the Executive Board.

Once inside 90 days of the start of the conference, two night's room and tax will be assessed for each cancelled reservation except in the case of a one night stay where one night's room and tax will be assessed. NAGDCA will charge the responsible company/organization for these charges. These fees will only be assessed if NAGDCA incurs a hotel attrition fee for not meeting its contracted room block.

Private events planned by industry members may not be scheduled during any portion of an official conference event or function (includes "meet and organize" time).

Planning for all private, non-conference scheduled corporate events are the responsibility of industry members, as well as retaining their own event insurance for these activities.

Industry members must comply with the affirmed Industry Members' Code of Conduct.

4. Speakers

Conference speakers are selected based on their experience and merits. Once an individual is selected, that "speaking slot" does not belong to the company for whom that individual is employed. Should an employee selected as a speaker leave that company or government entity, his or her retention as a speaker is at the discretion of the Annual Conference Committee. Company affiliations become criteria for speaker selections only to ensure equitable representation of industry members within the full conference education program.

The Annual Conference Committee chairperson has the authority to approve funding of transportation and lodging expenses up to the amount included in the budget under speaker/travel.

Registration fees are not waived for speakers who are members of the association.

Conference fees may be waived and/or travel and lodging expenses are funded (as can be accepted) for individuals who are not employed by a member of the association but who are asked to speak at the conference (e.g. IRS officials, members of Congress, etc.).

5. Annual Business Meeting

Government - the government members hold an annual business meeting at the conference pursuant to the Bylaws.

Industry - a regular annual meeting of the industry members of the Association is held at annual conferences to elect the new Member-at-Large and to discuss association issues. The Association provides at least 30 days' notice of the time and place of the meeting to all industry members. The Industry Committee develops the agenda for the meeting. Minutes from the meeting may or may not be constructed.

- overall agenda (what is offered on what day)
- selection of speakers (and maintenance of speaker policies)

The committee is chaired by the Vice President. At the end of the conference, the ingoing and outgoing conference chairs will hold a focus group with pre-selected participants.

No formal scheduled event will be held on at least one evening of the conference in order to allow industry members an evening to entertain clients and friends
