

Retirement reality check

More Americans are turning 65 this year than at any point in history — 12,000 per day

In a recent survey¹ of Americans ages 60 to 65, we learned there's a big difference between expectations *for* retirement and reality *in* retirement.

Retirement age

Financial security

Cost of living

Protected retirement income solutions can help cover essential expenses such as food, housing and health care

Plan sponsors and financial professionals are uniquely positioned to help participants be better prepared and have more confidence in their retirement planning.

Protected income solutions, such as in-plan guarantees, can offer participants a simple way to generate consistent lifetime income they can count on.

Learn how participants can generate protected retirement income with solutions from Nationwide.
